Apartment for sale in Lozio, a charming Alpine village just a few minutes from the ski slopes of Borno, the characteristic villages of Valle Camonica and a short distance from the scenic Lake Iseo. Located about 70 km from Bergamo and Brescia, the Italian Capital of Culture. We offer for sale an apartment located in the hamlet of Villa di Lozio, a charming alpine village surrounded by nature and perfect for those seeking a quiet and authentic refuge in the mountains. Villa di Lozio is a village full of charm and history, with ancient streets, picturesque views and a welcoming community. Surrounded by majestic landscapes, it is an ideal place for lovers of excursions, trekking and panoramic walks, as well as for those who want to breathe the pure air of the Alps away from the chaos of the city. The apartment is located on the third floor of a building with no condominium fees, it extends for about 60 square meters and offers well-distributed spaces: entrance hall, two bedrooms, a functional kitchen, a bathroom and a balcony with a beautiful view of the surrounding mountains. The property is enriched by a large, very bright porch, perfect for enjoying moments of relaxation outdoors with a unique panoramic view and a small garage on the fourth floor connected to the porch by internal stairs, ideal as additional space or storage room. We also offer the possibility of purchasing two more apartments in the same building, a perfect opportunity for large families, groups of friends or for those who wish to invest in multiple housing solutions in this suggestive place. Villa di Lozio is located a short distance from Lake Iseo, a popular tourist destination for its natural beauty and the many recreational activities it offers. On the lake you can practice water sports, take boat trips or visit Montisola, the largest lake island in Europe. This unique combination of mountains and lake makes the apartment an ideal choice for those looking for a charming residence in a natural setting, perfect for exploring all the wonders of the area.
